4. **Аудирование.** Listen to the text and try to understand it.

Halloween is both a British and an American holiday. In Britain it is celebrated in Scotland and Wales. In the United States it is celebrated in many towns and villages. It is a holiday for children and young people.

In the evening of October 31 boys and girls «dress up» in different old clothes and wear masks. As the night is usually quite dark they take with them a lantern made from a pumpkin. On an empty pumpkin they cut out slits for two eyes, a nose and a mouth and put a lighted candle inside. The pumpkin then looks like a jeering face with burning eyes. The children go from house to house and knock on the doors, calling «trick or treat». This means that they will play no tricks on you if you «treat» them – ask them in and give them sweets and fill their bags with fruit and cakes or anything else they like.

5. **Answer the questions:**

- When do the English celebrate Halloween?
- What are the main symbols of this holiday?
- How do children celebrate Halloween?
- Are there any Russian traditions similar to those at Halloween?

6. **Работа с текстом.** Look though the text and correct the mistakes.

Halloween is a festival that takes place on December 31. In the United States children wear costumes and masks and go swimming. The neighbours give children bread and potatoes so that children do not play tricks on them. Many of them draw jack-o'-lanterns. Jack-o'-lanterns are hallowed-out apples with face carved into one side. Most jack-o'-lanterns have a candle inside. In the Celtic times they made bonfires to scare spirits. An Irish legend says that jack-o'-lanterns are named after the man called Jack. He could not enter heaven because he was a miser, and he could not enter hell because he had played jokes on devil. They tell stories about cats and dogs.
